FINISHING

Blocking (optional)

Block fabric before stitching pieces together to add length and width, plus lead to less fabric stretching in the future.

Assemble

Using a sc join, seam panels together along the 3-dc sides starting at the bottom edge and seaming up 45 rows from the bottom.

Vest Option: seam side panels together 4" (10 cm) on either side of Cover-up.

Seamed Front Option: repeat the process on the opposite side, seaming up 40 rows from the bottom. Sides remain unseamed.

Weave in all loose ends.

ABBREVIATIONS

ch = chain; **dc** = double crochet; **mm** = millimeters; **sc** = single crochet; **st(s)** = stitch(es); * = repeat whatever follows the * as indicated.
