FORFEITURE ORDER

Adopted: December 11, 2024

Released: December 13, 2024

By the Commission: Chairwoman Rosenworcel issuing a statement; Commissioner Simington dissenting.

1. We impose a penalty of \$120,000 against Renold David (David), for operating an unauthorized radio station on 101.9 MHz in Brockton, Massachusetts. David has engaged in the illicit operation of an unauthorized radio station known as "Lotnivo FM." Operating an unauthorized, or pirate, radio station is illegal under the Communications Act of 1934, as amended (Communications Act or Act),1 and undermines the primary mission of the Federal Communications Commission (FCC or Commission) to manage radio spectrum. Such illegal operations can interfere with licensed communications, including authorized broadcasts and communications by public safety entities. Moreover, such illegal operations pose a danger to the public because they interfere with licensed stations that inform their listeners of important public safety messages, including Emergency Alert System transmissions that provide vital information regarding weather and other dangers to the public.2

2. On April 26, 2024, the Commission issued a Notice of Apparent Liability for Forfeiture proposing a \$120,000 forfeiture against David for willful and knowing violations of section 511 of the Act by engaging in pirate radio broadcasting on June 6, July 12, December 6, and December 21, 2023.3 David has not filed a response to the NAL.4 We incorporate by reference herein, affirm, and adopt as final all of our tentative findings of fact and conclusions of law set forth in the NAL and affirm the forfeiture proposed in the NAL.5

3. Accordingly, IT IS ORDERED that, pursuant to section 511 of the Act, 47 U.S.C. § 511, and section 1.80 of the Commission's rules, 47 CFR § 1.80, Renold David is LIABLE FOR A MONETARY FORFEITURE in the amount of one hundred twenty thousand dollars (\$120,000) for willfully and knowingly violating section 511 of the Act.

4. Payment of the forfeiture shall be made in the manner provided for in section 1.80 of the Commission's rules, 47 CFR § 1.80, within thirty (30) calendar days after the release of this Forfeiture

1 47 U.S.C. § 511.

2 See Amendment of Part 11 of the Commission's Rules Regarding the Emergency Alert System, Report and Order, PS Docket No. 15-94, FCC 22-75, para. 3 (rel. Sept. 30, 2022).

3 See Renold David, Brockton, Massachusetts, Notice of Apparent Liability for Forfeiture, FCC 24-47, 2024 WL 1960724 (Apr. 26, 2024) (NAL); 47 U.S.C. § 511. The NAL includes a more complete discussion of the facts and history of this case and is incorporated herein by reference.

4 On April 26, 2024, a copy of the NAL was sent to Renold David by first class mail and certified mail, return receipt requested. Although the certified mailing was returned unclaimed, the first class mail was not returned.

5 Any entity that is a "Small Business Concern" as defined in the Small Business Act (Pub. L. 85-536, as amended) may avail itself of rights set forth in that Act, including rights set forth in 15 U.S.C. § 657, "Oversight of Regulatory Enforcement," in addition to other rights set forth herein.

Order. David shall send electronic notification of payment to the Office of the Field Director, Enforcement Bureau, Federal Communications Commission, at [field@fcc.gov](mailto:field@fcc.gov) on the date said payment is made. If the forfeiture is not paid within the period specified, the case may be referred to the U.S. Department of Justice for enforcement of the forfeiture pursuant to section 504(a) of the Act, 47 U.S.C. § 504(a).

5. In order for Renold David to pay the proposed forfeiture, Renold David shall notify the Office of the Field Director at [field@fcc.gov](mailto:field@fcc.gov) of his intent to pay, whereupon an invoice will be posted in the Commission's Registration System (CORES) at <https://apps.fcc.gov/cores/userLogin.do>. Re: *In the Matter of Renold David, Brockton, Massachusetts*, Forfeiture Order, File No.: EB-FIELDSCR-23-00035352; *In the Matter of Joao Vieira, Brockton, Massachusetts*, Forfeiture Order, File No.: EB-FIELDNER-23-00035360; *In the Matter of Djovany Pierre and Mario Turner, Brockton, Massachusetts*, Forfeiture Order, File No.: EB-FIELDSCR-23-00035362 (December 11, 2024).

At the Federal Communications Commission, we are stewards of the public airwaves. We help ensure that this vital resource is broadly available and free from harmful interference. And for those who fail to follow the rules, there are consequences.

The three enforcement actions we announce today reinforce this fact. They also demonstrate our continued work to honor the responsibilities we have under the PIRATE Act.

I have consistently put these actions on the monthly agenda because I think they are a way to honor the work of FCC staff in the field. These investigations involve agents in small FCC offices around the country. But the work they do is a big deal because when our personnel are out and about they help protect the public airwaves that we count on for so much in modern life. The same goes for our emergency response teams who deploy after disasters to do a front-to-back assessment of the state of communications. I saw their efforts first hand in North Carolina after Hurricane Helene and they are nothing short of heroic. These aspects of our field work also often go unnoticed. I am glad that we have been able to shine a spotlight on them and honor our field staff in small ways like we do here today.

For safety purposes, we do not name the individuals from our field offices responsible for these investigations. But we thank them as well as staff in Washington who took up their work and converted it to action, including David Dombrowski, Matthew Gibson, Peter Hyun, Robert Kincaid, Jeremy Marcus, David Marks, Erica McMahon, and Michael Rhodes from the Enforcement Bureau; and Bill Dever and David Konczal from the Office of General Counsel.
