

SMALL HOUSE

belfry roof

roof over entry

chimney for small house only

belfry for schoolhouse only

door panel

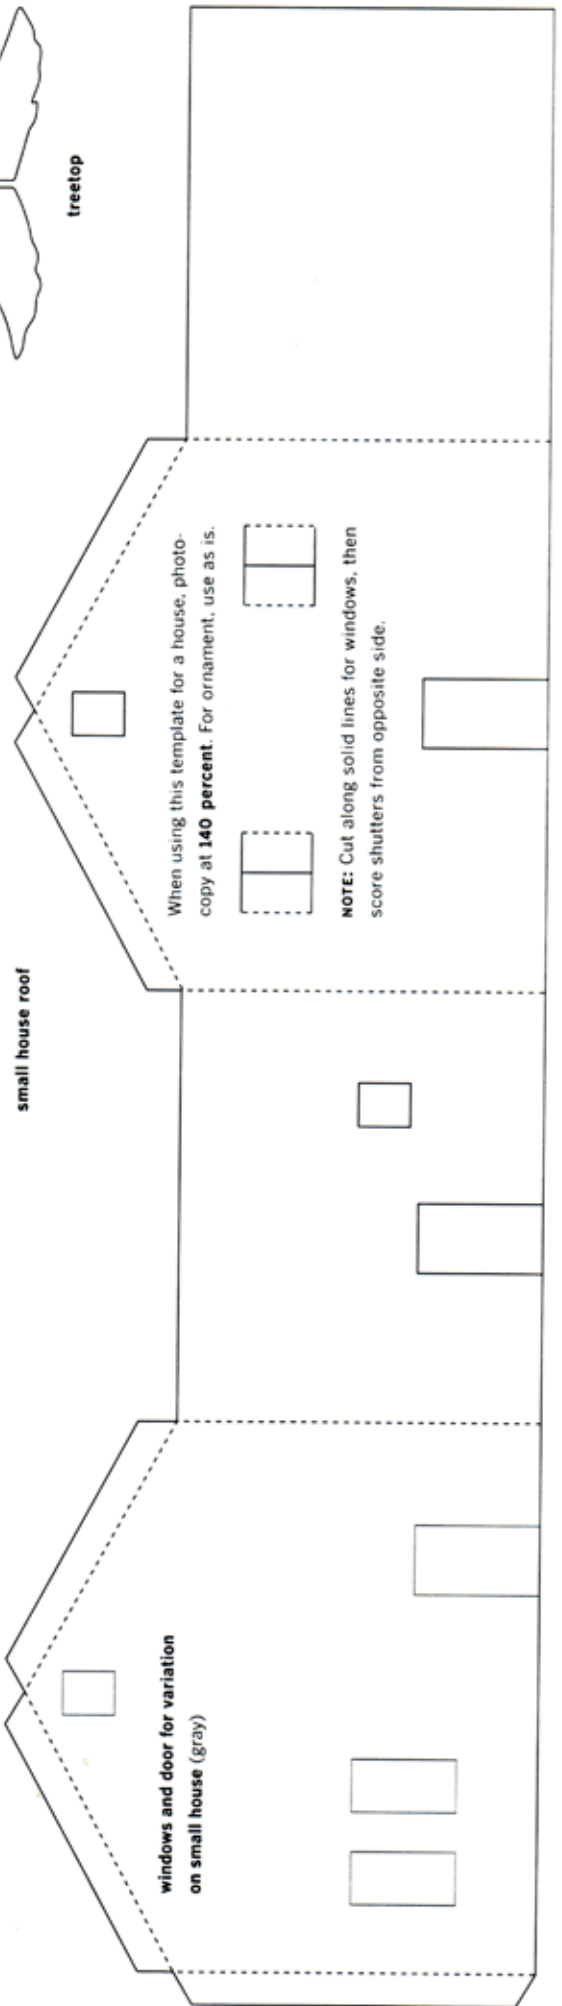

tree bottom

treetop

NOTE: Use the tree templates as you would for the house. Slip halves together. Prime. Paint. Coat with craft glue, and sprinkle with glass glitter and white glitter for snow.

small house roof

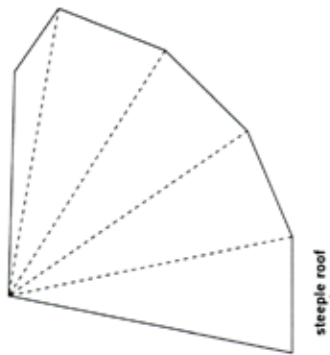

When using this template for a house, photocopy at **140 percent**. For ornament, use as is.

NOTE: Cut along solid lines for windows, then score shutters from opposite side.
