

# Liberty Antiques Festival

April 25 & 26, 2008  
September 26 & 27, 2008

- Just twice a year 400 dealers from more than 25 states pack this 100 acre farm with 18th to 20th Century furniture and paintings, as well as: pottery, glass, clocks, dolls, toys, advertising, military items, fishing collectibles, decoys, jewelry, quilts, folk art and “in the rough” country Americana!
- It’s the way it used to be—NO CRAFTS OR REPRODUCTIONS—just truckloads of antiques and collectibles. You’ll bring something home from this show!
