

## One-Month Progress Report Peer Review Form

*Please answer each of the following questions as honestly and thoroughly as possible in order to provide constructive feedback for the person whose materials you're reviewing (a.k.a. "the author").*

1. Which state party article's progress report are you reviewing?
  
2. Does the Progress Report include each of the following components?
  - a. A marked-up copy of the NA checklist                      Yes / No
  - b. An assessment of how well the ADP was met              Yes / No
  - c. An evaluation of the article's current quality              Yes / No
  - d. An updated ADP    Yes / No
  
3. Based on both the progress report and the printout comparing the article's current appearance to what it looked like when the author began working on it, how would you rate the progress he/she has made so far?

1            2            3            4            5

Why?

4. What do you like most about what the author has done to his/her state party article so far?

Why?

5. What are some improvements you think the article needs that are not currently listed in the author's updated ADP?

How would they contribute to the article's quality?

6. What do you think of the author's updated ADP?

7. If you could recommend that the author make any one improvement to his/her Progress Report, what would it be and why?

8. Do you have any additional comments or suggestions for the author?
