ICOMOS

April 10 1979

Nominations for the World Heritage List

REVIEW SHEET

Damascus - Syria - °20

Everyone agrees on the importance, the quality, the value of Damascus and its old town. But the dossier requires a concise analysis of the archeological elements, the types of human settlements and statistics on the kinds of human settlement with their individual characteristics.

Panel:

M. André Chastel

Mr. Henry Millon

M. Jean Taralon
