All seams are 1/4" unless otherwise noted. Yardage is based on 40" fabric.

You will need no special quilting tools for this quilt. Normal cutting and sewing notions are needed. Batting is 65" x 65". A ruler at least 4 1/2" square would be very useful, but up to a 6 1/2" square ruler will do. Cutting the borders needs a little extra care, as one is very narrow and the other is out of a fabric that is heavier than normal. Use a new blade.

Assembling the blocks —

- On the wrong side of the 32 white and 32 pink 5" squares, draw a line diagonally from corner to corner as shown below.
- On each side of this line, draw another line 1/4" away from the center line. See below.
- With right sides together, put each square with a grey 5" square.
- Sew on the dotted lines.
- Cut apart down the center line.
- Press the seam toward the grey fabric.
- Trim each square down to a perfect 4 1/2" square making sure that the seam is running through the center of the unit.

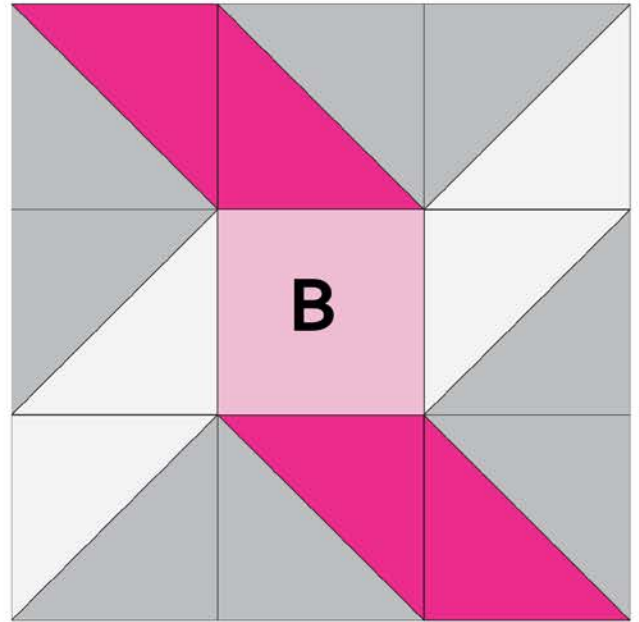

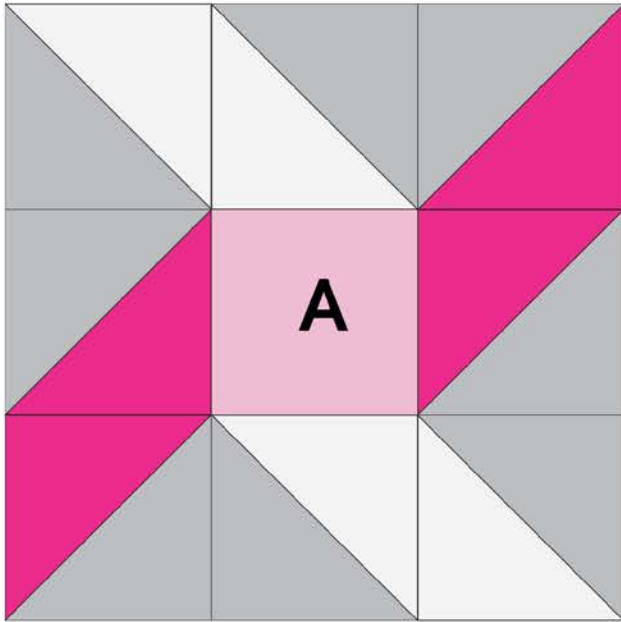

- Sew rows as show below. **MAKE SURE THAT THE TRIANGLE IS POINTED IN THE CORRECT DIRECTION.**
- The center row has the floral 4 1/2" square in the middle.
- After the rows are sewn, sew the rows together to make the block as shown on the next page. **Make 16 blocks.**

- Rotate 8 of the blocks to look like block **A**.
- The other 8 blocks should look like block **B**.
- Make a row of 4 blocks by alternating the **A** and **B** blocks and **alternating A and B** as the first block in the row. If the white and pink make a pinwheel, they are placed correctly.
- **Make 4 rows.**
- Sew the rows together to form the center of the quilt.
