# Aircraft

@clubaircraft

Aircraft is the new Modern Retro video game that aims to bridge the advantages of blockchain technology with the classic strategies of the popular game "battleship", in the simplest possible form, where blockchain knowledge is not needed to play.

Our NFT collection plays an important role in this concept and brings benefits in regard to both economics and gaming ecosystem.

 Wallet Connect

- The player has to connect in order to track his performance
- Play against the computer and destroy all its planes.

### OBJECTIVE

Training for free - game experience

Best player of the month gets access to the tournament

 Wallet Connect

- Play for free or play to earn
- Create a game offer using EGLD/MEX
- Find an opponent who can offer the same amount
- Destroy all the opponent's planes
- Claim the reward

### OBJECTIVE

Win the game to earn

Winner takes the total amount

Best player of the month gets access to the tournament

 **Wallet Connect**

- Only #clubaircraft members have access (own at least 1 NFT)
- Buy a ticket
- The tournament will begin at a planned time, with a minimum of tickets sold
- Each player will have one opponent at a time
- Destroy all the opponent's planes
- Claim the reward

### OBJECTIVE

The tickets value will be distributed to the winners  
1st place - biggest reward  
2nd & 3rd places also rewarded  
Premium competition for exponential rewards!

**Tournament**

The Airvengers are a collection of 3790 unique characters living on MultiversX.  
Your Airvenger NFT is your membership to the premium gaming club, #clubaircraft, where you gain access to exclusive perks:

- Access to tournaments for exponential rewards
- Shared staking reward with clubaircraft members
- All NFT royalties back to club

EGLD/MEX will power this game

### Staking Reward from NFT Sale

### Game Fee

### NFTs Royalties

EGLD amount from NFT sale will go to a Staking Provider. 50% of the reward will be distributed to #clubaircraft.  
50% of the game fees will also be distributed to #clubaircraft.  
After the entire collection has been sold all the NFT royalties will be distributed to #clubaircraft
