

Watch out for birds as they feast on your feed!

Activity:

Materials: Pine cones or the peel from half an orange*, peanut butter, birdseed, string, hole puncher, spoons.

Procedure:

- (1) Smoosh peanut butter with spoons onto pine cone.
- (2) Roll the pine cone in birdseed.
- (3) Tie a string to the top end, and it is ready to hang outside.

*To make an orange peel bowl feeder, punch three holes evenly spaced around the top edge of the orange peel bowl, fill the bowl with peanut butter and bird seed, and tie strings through the holes for hanging.
