
Seussville.com

I can add in red.

$0 + 0 = \square$

$2 + 1 = \square$

$2 + 0 = \square$

I can add in blue.

$1 + 1 = \square$

$1 + 2 = \square$

$1 + 3 = \square$

I can add in pickle color too.

$$\begin{array}{r} 1 \\ +\ 1 \\ \hline \square \end{array} \qquad \begin{array}{r} 2 \\ +\ 1 \\ \hline \square \end{array} \qquad \begin{array}{r} 1 \\ +\ 2 \\ \hline \square \end{array} \qquad \begin{array}{r} 3 \\ +\ 1 \\ \hline \square \end{array}$$
